Type of plan

Local spatial development plan

Local spatial development plan for the area located in the vicinity of Centralna, Polna and Chińska Streets in Wrocław. Source: Biuro Rozwoju Wrocławia, 2011.

Facts: Local spatial development plan of the area around the streets Centralna, Polna and Chińska in Wrocław (Poland)

Legal basis

- Act of 27 March 2003 on spatial planning and development (t.j. Dz. U. z 2020 r. poz. 293)
- Act of 6 March 1990 on local self-governance (t.j. Dz. U. z 2020 r. poz. 713)

Competencies

The Mayor is responsible for preparing the local spatial development plan. In big cities this document is typically prepared by the municipal planning office which is a unit of the self-government administration. In the towns and rural communes, it can be prepared by the external private office. Sometimes the external collaborators are also involved in drafting a plan in big cities. The commune (city) council is empowered to enact the local spatial development plan.

Binding force

The local spatial development plan is legally binding.

Tasks and contents

- Development of the area of urbanising former independent town of Brochów.
- Housing development within the district.
- Delivery of the public services and green areas for the district.
- Creating urban structure of spontaneously growing area.

Process, duration, participation

The plan was enacted by the Wrocław City Council in 2011 (Resolution No XVIII/369/11) with the amendment in 2018 (Resolution No LXIII/1543/18).

Duration of validity

The plan was drafted by municipal planning office within the standard procedure. The plan has no legal duration of validity.

Details of the plan
